

Pharmacist Provision of Emergency Contraception

Authors:

Dr. Richard Harris, M.D. PharmD, MBA
Clinical Advisor
Scripthealth.co

and

Jelena Antic, PharmD candidate
UIC College of Pharmacy

and

Kevin Castro, PharmD candidate
UIC College of Pharmacy

Disclosure (s): Dr. Harris, Ms. Antic, Mr. Castro, and the other reviewers who contributed to this activity have no relevant financial relationships with ineligible companies to disclose.

Learning Objectives:

At the end of this knowledge-based activity, participating individuals should be able to:

- Identify patients who meet the criteria for pharmacist intervention who present wanting emergency contraception
- Describe first-line therapy for emergency contraception
- Describe factors associated with unwanted pregnancy such as economic impact, risk factors, and pregnancy physiology

Target Audience: Pharmacists

Fee: \$30

Release Date: May 22, 2023

Estimated time to complete activity: 1.0 hour

Please visit <https://academy.scripthealth.co/courses/emergency-contraception/> to participate in this activity.

Type of Activity: Knowledge

Expiration Date: May 12, 2024

CE: 1.0 contact hour (0.1 CEUs)

Continuing Education Statement:

The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. The non-accredited co-sponsor for this activity is Scripthealth.co. This activity has been assigned ACPE Universal Activity Number 0016-9999-22-038-H01-P, for 1.0 contact hour (0.1 CEUs). Reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity, active learning activity, post-test (minimum score of 70% required; may be taken up to 3 times) and activity evaluation; estimating duration of time spent on the activity; and submitting NABP e-Profile ID and MMDD are prerequisites for receiving continuing pharmacy education credits. All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date, so pharmacists are required to provide their e-Profile ID and date of birth (MMDD) at the time of the activity. Please contact pharmce@uic.edu if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: www.MyCPEmonitor.net.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Education Statement. Participants will complete the post-test and activity evaluation at <https://pharmacyce.uic.edu/moodle/course/view.php?id=212>.

To answer the post-test questions, click on your selected choice for each answer then proceed to the next question. We recommend that you print a copy of your answers before you submit them to us. Once completed, click on 'Finish Attempt', then click on 'Submit All and Finish' at the bottom of the page. Your post-test will automatically be graded. If you successfully complete the post-test, a confirmation message will appear at the top of the page underneath your grade. You will have a chance to review the correct answers and answer rationale.

Hardware/Software and Internet Requirements can be found at <https://pharmacyce.uic.edu/moodle/>.

Provider Contact Information: For general information please call the Office of Continuing Education and Meeting Services toll-free at (866) PHARM-CE (866-742-7623) or send an e-mail to: pharmce@uic.edu.
